\$1.25	Dead Hand Chaos Poker	An Unholy Union of Poker and Russian Roulette. This otherwise standard Poker deck hides a maddening twist; an almost imperceptible presence within the card face veneer – the hand of death. A deathly presence that may well kill one of the hands at the table. Point is... after all the bets are down, after all hands are revealed, a final card is drawn from the deck. Maybe all remains as it was. Maybe the pair of Aces is dead. Perhaps the low club is the kiss of death. So give a moment's pause before folding. Your opponent's hand may not be long for this world. Or then again, maybe you hold the DEAD HAND.	An Unholy Union of Poker and Russian Roulette.
